

Cilantro Lime Soda

.....

- A few lime wedges
- 4 to 6 sprigs of cilantro
- Splash of simple syrup (dissolve one part sugar in one part boiling water; let cool)
- 2 oz. vodka
- Soda water

Muddle limes, cilantro, and simple syrup in the bottom of a glass. Add ice, vodka, and enough soda water to fill the glass. Stir to mix. Garnish with a sprig of cilantro.

—Cafeteria, New York City

COSMO TIP Cilantro is often used in Mexican cuisine, so serve these with chips and salsa. Put on some mariachi music to complete the vibe.
